New Services From **IN SOURCE™** Williams

1 Retail Pricing Stickers

Now InSource-Williams provides retail pricing stickers to help order processing, and to assist you with inventory control, re-ordering, and pricing information.

Direct Invoicing

Our New Direct Invoicing allows you to receive your actual invoice direct with your order. Now you will be able to efficiently track your receipt of products at the time of delivery.

Those customers with a separate bill-to address from the package ship-to address will receive a duplicate invoice copy to arrive at the bill-to address.

2 A Complete A to Z Product Price List

Our convenient A-Z product price list makes finding hard-to-locate items easier to order. It provides you with up-to-date information on new products including

NDC number, complete product description, Orange book rating, and manufacturers A.W.P.

2300977

We believe these new services will help you lab and reorder products, find up-to-date product information, and receive orders more efficiently. We look forward to your comments.

Striving To Serve You Better!
